Sight word cards

- 1. Spread the sight word cards out, face down, on the table.**
- 2. Ask player 1 to select 4 cards. Turn them over and read them aloud. Each player will write these words on their own BINGO board in any blank box of their choice.**
- 3. Player 2 selects 4 more cards. Turn them over, read them aloud and write them in a blank box on the BINGO board.**
- 4. Continue this until all of the blank boxes are filled with a sight word.**
- 5. Return all sight word cards to the face down pile on the table.**
- 6. Select one card at a time and read it aloud to your players.**
- 7. Both players will look at the words on their board. If the spoken sight word is written on the Bingo board, the player can draw an "X" inside the box.**
- 8. Continue selecting cards and reading them aloud one at a time.**
- 9. The winner is the first player to have 5 "X" boxes in a line.**
