

# Slap It!

or Stomp It!

- Gather two sets of 10 or so sight words at a time and a fly swatter or soft bat
- Scatter the cards face-up on the floor in front of your child
- For "slap it," child will slap the word you name with a fly swatter when they find it and read it aloud to you
- For "stomp it," child will jump to the word named and stomp on it
- Variations can be playing with a second player, or stomping with the left foot on one word and right foot on another (as in Twister), or increasing the number of points given for getting both of the matching word cards
