

## **What's Your Name?**

**These activities can be completed using the letter cards.**

- 1. Select the letters needed to spell your child's name from the set of cards.**
  - **Mix up the letters in front of your child.**
  - **Assist your child in finding the first letter of their name. Make the sound of this letter together.**
  - **Work together to arrange all of the letters in their name.**
  - **Repeat, each time allowing more independence for your child to find their letters.**
  
- 2. Mix up all of the letters in your child's name. Include a few extra letters.**
  - **Assist your child in locating the first letter of their name. Reinforce the letter by making the sound together.**
  - **Work together to find the rest of their letters.**
