

What's That Coin?

Use the coin cards to complete these activities.

1. Take a moment to look through the coin cards. Are there any similarities or differences when you look at the coins?
2. Separate the coin cards.
 - Heads and Tails
 - Type of coin (quarters, dimes, nickels, pennies)
3. Spread all of the coin cards on the table.
 - Find the head of a coin and its matching tail. Put the pair aside.
 - Find more matching heads and tails.
